

Everyone deserves a place
to call home.

May 2024

Community Growth & Support

As we find ourselves in the middle of 2024, we can't help but feel a sense of anticipation for the exciting events and milestones that lie ahead for our community!

We proudly participated in the annual "Block Party" and completed carpentry repairs on eight projects. Other groups cleaned up yards, mowed, trimmed, and generally uplifted the neighborhood we worked in. It was heartwarming to see the groups of volunteers come out as a team and make a difference! A big THANK YOU to everyone involved.

We have some lofty goals for the remainder of the year. Two families should be in their new homes, which are currently under construction. Another lot is being cleared of trees to prepare it for the foundation.

We are rejuvenating our Critical Repair Program and are in the beginning stages of planning. We would love to recruit some retired volunteers with carpentry experience to help. We help low-income elderly homeowners who need ramp, deck, or stair repair. If you need anything that falls in this category, please email director@habitatsanfordnc.org

We were honored to be named a winner of Weyehaiuser's 2024 Innovation Challenge Grant for wood recycling to reduce construction waste in our landfill. We use wood scraps to construct small, valuable items such as planters, birdhouses, and the occasional dog house.

Everyone wins!

Our first-ever Welcome Home Golf Classic at Quail Ridge Golf Course was in April. We appreciate the sponsors and golfers who participated, including corporate sponsors Zurn-Elkay, Bankers Insurance, Carson Lanier of Farm Bureau Insurance, Wilkinson Cars, Harrington Properties, and CCCC. It was a blast, and we hope to see you next year!

"And we know that in all things God works for the good of those who love him, who have called according to his purpose." Romans 12:2

Blessings,
Kimberly Rau
Executive Director

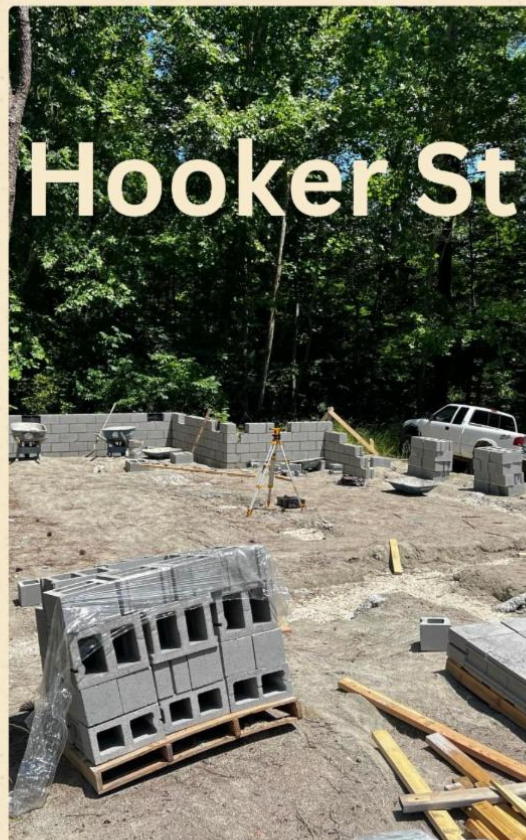

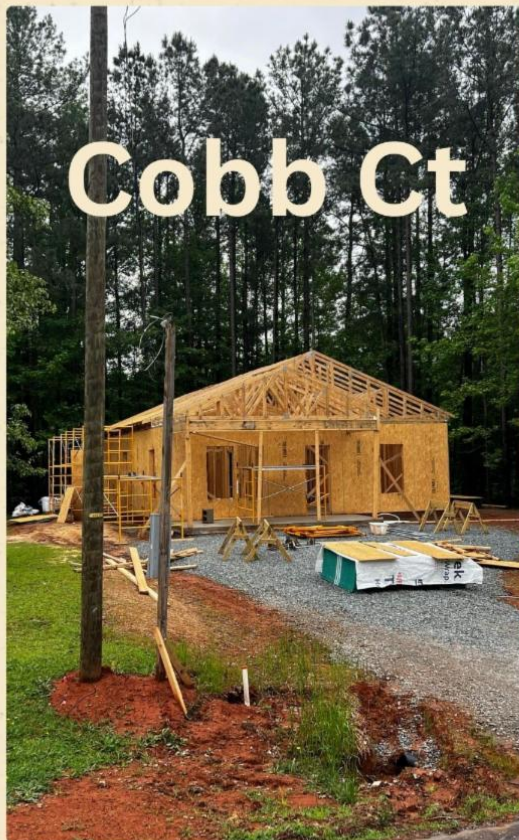

Two Homes, Two Teams, One Goal!

The Lee County Students have completed framing and almost all of the sheathing and dry-in for our home on Cobb Ct.

We are making progress on the home on Hooker St, thanks to our General Contractor, Jon Hart, with JA Hart Construction.

Leggett Landworks will start clearing a lot for our newest homeowner soon!

Find your next DIY

We have such a creative community and wanted to share some more fun DIY projects that you can do over the summer while students may be out of school!

Swing by the ReStore and see what you can find to upcycle!!

Recycling Efforts

We continue to collect aluminum cans! Our goal is to collect 1000 pounds by November! So keep saving those cans and help us raise more funds through recycling!

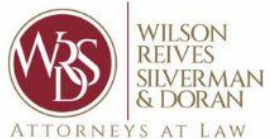

Items may be dropped off curbside
Tuesday-Friday 9a-430p or Saturday 9a-
230p

Welcome Home Classic!

Thank you to all of our Sponsors and Golfers who came out to Quail Ridge on April 19th! We had a great day!
